

1971 CENSUS — ENGLAND & WALES

F Form For H.M. Ships

To the Commanding Officer or other appointed person:

You will have been notified by Defence Council Instruction of the need to complete this form and to arrange for the completion of individual forms by the people on board your vessel. The instructions in the next column tell you how to carry out the enumeration and should be followed carefully, in conjunction with the directions in the relevant Defence Council Instruction.

The 'P' forms with which you will also have been supplied are for the individual returns to be made by each person on board. To assist you in issuing and collecting them, spaces have been provided overleaf for listing the people who spend the night of 25th/26th April on board this vessel.

Legal obligations

You have a legal obligation to list the names of the people on board your vessel, to distribute the forms to them and collect the forms on completion, to see that forms are completed for persons who are incapable of completing them for themselves, and to give the information asked for in the panel at the foot of the next column.

There is a penalty of up to £50 for refusing to deliver or fill in a Census form or refusing to give information for that purpose, or for giving false information.

Confidentiality

The information given on a Census form will be treated as CONFIDENTIAL and used only for compiling statistics. No information about named individuals will be passed by the Census Office to any other Government Department or any other authority or person. If anyone in the census organisation improperly discloses information, he will be liable to prosecution.

You must not disclose or use the information given on the completed forms. If you do, you will be liable to prosecution and, on conviction, may be fined up to £50.
