

ELSA USER DAY

What

The ELSA User Day will offer the opportunity to find out more about the tools and resources available when analysing the ELSA data. Computer-based workshops in the afternoon will provide practical guidance on using ELSA-specific data, as well as an introduction to using the Gateway to Global Aging Data.

When & Where

Wednesday 17th October 2018

9:30 AM – 4:00PM

UCL Bloomsbury Campus, Venue TBD

Who Should Attend

The ELSA user day is open to researchers who are interested in using data from the study and to existing users that want to find out more about the different datasets available

How to Register

Go to <https://elsauser.eventbrite.co.uk>

Password: **ELSAUSER**

Cost

There is a small charge of £20

Numbers are limited so **booking is essential**

Contact

For further information please contact the ELSA team on ELSA@ucl.ac.uk
