

Research Participants Perspective

“Capturing Testimony of the
Contemporary Migrant Crisis”

Wednesday 20 November 2019, Wivenhoe House, University of Essex
Shakir Syed

*In a World of Assumptions, how important
Research plays a role and why it is vital to get
the Genuine feedback from the research
participants?*

Verbatim Quotations

- Gives an unbiased link in deriving interpretations and coming to a clear conclusion
- Helps in making the research document and data easily readable.
- It validates the researchers findings and gives more credibility.

How and Why a Research Participant will Speak Up?

- To positively bring change within the system
- Help in avoiding similar situations for future group of people
- Human connect makes it possible to get a Genuine data rather than a make up one due to fear factor.
- Contribute in identifying Real life challenges and helps in concluding the research the way it should be!

Thank You!
